

Dr Vivek Patel

MBBS MS FRNZCGP FRACGP

GP SURGEON

Nirvana Health Group

Dr Vivek Patel qualified as a General Surgeon in 1981 from The University of Bombay (India). He worked as Consultant Surgeon before coming to New Zealand in 1996. He obtained a Fellowship in General Practice in New Zealand & Australia & is working as a GP with a special interest in Minor Surgical procedures for the Nirvana Health Group.

He has special skills to perform procedures like **Vasectomy, Removal of Lumps and Bumps** (superficial tumors & cysts), **Treatment of skin cancers** - BCC AND SCC (excision & reconstruction of defects) *with excellent cosmetic results*, **Treatment of Varicose veins, Circumcision, Treatment of In-growing toe nails** etc.

All these procedures are performed under Local Anaesthesia & patients usually do not require time off work.
